ANTI-HUMAN TRAFFICKING	<b>She Has A Name</b>	She Has A Name is a strong community that exists to fight human trafficking through education and care for all those impacted.	Pray for survivors of human trafficking who are pursuing dreams and degrees. The enemy wants to tear down their sobriety and healthy relationships to distract them from building stable and safe lives outside of exploitation. Pray for our training participants, that they wouldn't just add head knowledge about the cause but also consider how to involve their hearts and hands in service. Pray for people who struggle with pornography use/addiction or who purchase sex. These are mostly men who battle depression, loneliness, and personal histories of trauma that lead them to believe paying for a relationship is the only way to experience community. Pray over She Has A Name's leadership as we experience unprecedented board and staff turnover in 2024.	shehasaname.org/join	info@shehasaname.org 614-636-0421

<b>Dr. Scott T. Kelso</b>	The 5 Points Greater Columbus Apostolic Network is a Central Ohio network of ministry leaders who share a common Vision and Purpose to live out the answer to Jesus' prayer in John 17 by a radical love and unity that will cause the world to believe, enter the Kingdom of God, become disciples--and through kingdom living in all areas of influence--transform Greater Columbus and beyond.	We not only want to take people to heaven, but also change our community through Spirit=led transformation. We cannot be a successful church in the midst of a failing community. Columbus has significant poverty, crime, drug addiction, sexual brokenness, and other disabling conditions, waiting to be impacted by a coalition of churches that desire to make the crooked ways straight. We are here to let the light shine (Mt.5:14; Jn.8:12) God can use an Apostolic Network in the City to help the saints grow in maturity (Ephe.4:12-15), defeat the enemy (2Cor.10:3-5), and prepare for the end-time harvest (Acts 2:18-21; 17:30-31) Please join us in prayer to see these things manifest in Columbus.
