SPIRIT OF AGREEMENT

In partnership with For Columbus, we are a Gospel community that is a visibly united and sustainable outworking of the Holy Spirit. As unique congregational ministries, specialty ministries, and marketplace ministries, we commit to the transformation of our city by sharing and proclaiming Jesus Christ, pursuing justice and reconciliation, presenting a faithful public witness, demonstrating biblical generosity, and building authentic relationships across all cultural boundaries.

GOSPEL VISION (“...Jesus is Lord and Christ” Acts 2:14–41)

We affirm a Gospel community that is rooted in the whole counsel of God, consistent with the Gospel foundation of the first disciples and other historical city-wide Christian expressions, which is:

CHRIST-CENTERED

We proclaim the life, death, resurrection, and return of the Lord Jesus Christ by faithfully living out the Gospel in word and in deed.

CHURCH-DRIVEN

We mobilize congregations and communities of believers to carry out the Great Commission as the people of God gathered and deployed in the city.

DISCIPLE-LED

We encourage Christ-followers in all spheres of relationship, ministry, and influence with vision, passion, and resources.

CITY-REACHING

We collaborate with Christian leaders and city influencers to discern the city's needs and work from a posture of humility to demonstrate Christ's redemptive power.

KINGDOM-REALIZING

We serve to unify the various domains of culture and networks under the Kingship of Jesus Christ in order to experience the flourishing peace for all in Columbus.
