PRAY ALOUD

Father God, because of sin, the chasm between us was far too wide to cross. With man, it was impossible, but You made a way! Miraculously, Jesus' cross bridged the vast divide between us and made a way for us to be one with You. May the forgiveness and grace You offer us empower and free us to be ministers of reconciliation with others. We pray that just as You are one, Father, Son and Holy Spirit, may Your followers all be one. May we operate as one body with diverse parts and functions, but with one head. Help us to overcome pride, covetousness and competition. Break down divisions and silos in our city. May we live for Your glory alone and not our own. Make us one, Father God, make us one! In Jesus' Name we pray, Amen.
